Exhibitor Prospectus

Welcome

From the ISTA 2019
Toronto Co-Chairmen

Dear Sir or Madam,

On behalf of the Board of Directors of the International Society for Technology in Arthroplasty, we are honored to invite you to participate in ISTA's 32nd Annual Congress, to occur October 2nd to 5th, 2019 in Toronto, Canada.

ISTA is a non-profit organization dedicated to advancing the art and science of joint replacement around the world. We annually host an international forum where individuals from industry, academia and clinical practice assemble to collaborate, exchange ideas and engage in robust debate – all of which are essential for the responsible innovation and evolution of joint replacement technology.

As an exhibitor, you will have a unique opportunity to access the leading innovators and researchers in our field, providing an excellent opportunity for interaction. In Toronto, we expect participation of over 750 attendees from over 30 countries.

In 2019, ISTA's Annual Congress will take place at the Hilton Toronto, ideally located in the heart of Downtown. All exhibits will be placed in the foyer centered between all scientific session rooms, generating natural traffic flow through the Exhibit Hall. To further facilitate interaction with attendees, all breakfasts, breaks and lunches will be served in the Exhibit Hall.

Exhibiting companies are encouraged to participate in both Social and Scientific Programs and are also encouraged to share your ideas on how we can assist you towards a mutually successful outcome.

We look forward to welcoming you to Toronto!

Sincerely,
Matthew Teeter, PhD
Steven MacDonald, MD, FRCSC
Brent Lanting, MD, MSc, FRCSC

Why exhibit at ISTA 2019?

- Interact with over 700 technology-focused arthroplasty surgeons, trainees and researchers from over 30 countries.
- Exhibits are located in high traffic area in the center of session rooms, creating an ideal environment for networking with current and prospective clients.
- 3 breakfasts, 5 breaks and 2 lunches will be served in the Exhibit Hall to further facilitate interaction with attendees.
- Exhibitors are encouraged to participate in the Scientific Program by submitting abstracts for consideration.
- Exhibitors are encouraged to attend the President's Welcome Reception and Gala Dinner.
- ISTA 2018 had over 700 presentations in a variety of stimulating and enjoyable formats from colleagues in 38 countries. We fully expect ISTA 2019 to build on this success.
- ISTA's participants are the leading thinkers, researchers and influencers who shape the future of arthroplasty in both high-tech, high volume first-world markets and emerging markets with the greatest growth potential.
- ISTA values exhibitors as a central part of the Congress experience and limits the number of vendors to maximize visibility.
- ISTA's Scientific Program features innovative concepts and the latest advances in joint replacement.
